Precepts Class: The Book of Judges

Gail Davis

Nothing has changed from the days of the Judges. People will still do what is right in their own eyes. Only God's truths and moral principles bring peace and freedom from bondage.

Welcome

WE CONTINUALLY ENCOURAGE our people to model the love of God, to minister to one another with His love, and to multiply God's unconditional love through Jesus in our community. It is our desire that today you will experience this love of God as you participate in our weekly celebration of life in Him.

At East Memorial, the Word of God is our textbook. Each message that you hear from this pulpit is taken directly from the Bible. We encourage you to bring your Bible so that you can see for yourself what God is saying.

Joining The East Memorial Family

In the New Testament, the local church is a body of baptized believers. We invite you to belong to the fellowship of the East Memorial Family in one of three ways:

BY PROFESSION OF FAITH

If you are willing to repent of your sin and commit your life to Jesus Christ, you can do that today by praying and asking Christ to come into your life, forgive you of your sins and be your Lord and Savior.

BY LETTER

As a Baptist whose church membership is elsewhere, we will gladly take care of the details for transferring your membership.

BY STATEMENT

If you are a member of a church, having made a profession of faith in the Lord Jesus Christ, and following Him in New Testament baptism by immersion, we gladly accept you upon your statement.

When Do I Join?

At the end of every Worship Service during the closing hymn, the Pastor stands at the front of the Worship Center. Walk to him at this time and share with him your decision to join the East Memorial Family or another need that you have.
